Non-Acid Bowl Cleaner is a professional strength cleaner that will clean toilet bowls with ease and safety. The concentrated powdered detergent will break down and remove daily accumulations of soils, limescale, and urinary salts with its high foaming action, blue color, and pleasant fragrance. This product is intended for daily applications, not occasional maintenance.

Directions

Non-Acid Bowl Cleaner can be added directly to the toilet bowl. Flush before cleaning. Add one 1-ounce pack of Non-Acid Bowl Cleaner to the toilet bowl. When foam covers the water's surface, swab the bowl inside and out, especially under the rim. Let the toilet stand for some time before flushing. For maximum performance, use this product daily.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.
Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.
Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.
Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.
